"Boca Raton corporate magician and mentalist"

Based in Boca Raton | Close-Up Magic | Comedy Magic | Corporate Events | Kids & Family

Biography

Corporate magician Robert Segal has been entertaining audiences of all ages for over 40 years with programs built from interactive magic, mentalism, comedy, and audience participation. Since 1980 he has performed on cruise ships and around the country, and is now one of the leading Magicians in the South Florida area.

In his hands a \$1 bills into \$100 bills routine becomes a small miracle, he predicts what people will think of in their minds, and a signed bill vanishes only to reappear inside an orange. His walk-around entertainment gives small groups their own 5 to 7 minute shows, with the magic happening in the guests' own hands - perfect for cocktail parties or as pre-dinner entertainment, and tailored to each company party, private celebration or gala.
