

Roberto Forzoni

"Inner Magic Circle London mind reader"

Based in London | Close-Up Magic | Corporate Events | Mentalism | Parlour Magic

Biography

A Gold Star member of the Inner Magic Circle and resident mind reader at The Ned, Roberto Forzoni is a performance psychologist turned professional magician whose act happens in the minds of his audience - thoughts read, choices predicted, the impossible revealed.

His manner is warm and personable: no one is embarrassed or made to feel foolish, and the magic brings people together rather than separating performer from audience. Roberto performs for 12 guests at an intimate dinner party or 300 at a corporate gala, and appears live in Influence: The Show and at The Magicians' Table, London's immersive close-up experience in a secret London Bridge location, as well as The Magic Circle close-up evenings. With over 25 years of professional experience, he suits corporate events, weddings and private celebrations.
