

Rosemary Reid

"Toronto female magician and mentalist"

Based in Toronto | Close-Up Magic | Corporate Events

Biography

Rosemary Reid is a professional female magician and mentalist in Toronto whose work runs from mingling magic through the crowd to a full stand-up show. Her performances are built on interaction: guests find themselves up on stage or holding the magic in their own hands, and the room spends the rest of the night comparing notes.

She also offers personalized tarot card readings, intimate three-to-seven minute one-on-one sessions with intuitive, supportive guidance, and each guest keeps a Polaroid photo of their spread. Strolling magic can flow naturally into a larger group show, making her a fit for weddings, cocktail hours, corporate and holiday parties, fundraisers, birthdays and nightclubs.
