

Ryan Chandler

"Omaha street magic mixing music, prediction and expressive play"

Based in Omaha | Close-Up Magic | Mentalism

Biography

Ryan Chandler is an Omaha street magician, music artist and author associated with the city's historic Old Market district. His official site documents appearances on Fool Us and Penn & Teller: Try This at Home, plus a David P. Abbott Award from the Omaha Magical Society. Chandler's live material uses expressive comedy, audience-led effects and prediction, and the site maintains a show schedule alongside other creative projects. Research supports continuing public activity and an Omaha base, but it did not surface a clear general event-booking offer, direct professional email or consistently populated current calendar.
