

Ryan Edwards

"Toronto mentalist and mind reader"

Based in Toronto | Close-Up Magic | Corporate Events | Mentalism

Biography

Ryan Edwards works in pure mentalism - "the art of reading people, predicting behaviour, and creating the illusion of true mind reading" - rather than props and sleight of hand, blending psychology, illusion and intuition into an evening of genuine astonishment.

With over 20 years of experience, he has performed for Fortune 500 companies, made predictions on The Good Stuff with Mary Berg, and collaborated with DAZN and Whistle Sports to read the minds of players at the Super Bowl in Las Vegas. His show Deja Vu blurs the boundaries of perception and reality, while his charismatic storytelling and interactive style bring guests into the act. Whether in intimate settings or large theatres, Ryan suits corporate events, galas and private gatherings across Canada and internationally.
