Close-Up Magic | Corporate Events | Mentalism

Biography

Based in St. George, Ryan Gray Magic combines high-impact magic with mind-blowing mentalism in performances designed to maximize audience participation and connection. Guests do not simply watch the show, they become part of the show, and the shared experience is one they will still be talking about long after the final effect.

Every performance is tailored to the audience, venue and occasion, and may include close-up magic, a feature performance for the whole group, or a combination of the two. The material stays family-friendly and works for audiences of all ages and backgrounds, and Ryan performs throughout Southern Utah at birthday parties, company shows and other special events.
