Biography

Ryan Kane is a New York stage magician who provides headline entertainment for private parties, award galas, corporate events, customer appreciation events, festivals and theatres across the country. Event planners and Fortune 500 companies turn to him for corporate events and special celebrations, and one client noted his "slick, modern approach to magic".

Weaving elegantly in and out of conversations, he performs strolling close-up magic at networking events, galas, fundraisers and company retreats, and he emcees fundraisers, auctions, award galas and theatre lineups. Kane writes custom material for each client, so the comedy fits the room and the occasion. Based in New York City, he performs wherever sincere wonder is desired, and works with planners from New York to London as well as at conferences and exhibitions worldwide.
