

Ryan Price Magic

"Winnipeg family magician and puppeteer"

Based in Winnipeg | Kids & Family

Biography

Ryan Price is a full-time magician and family entertainer based in Winnipeg, Manitoba, performing hundreds of shows a year across Central and Western Canada. He began his career in 2007 and has since played to audiences at festivals, schools, daycares, birthdays and company events.

The act blends amazing magic with zany puppetry, silly comedy and plenty of audience participation, with volunteers pulled in to help make the magic happen. His summer Wild And Wacky package offers three separate 30-35 minute shows across a single day, needing only a setup area, a power outlet and an audience. For company holiday parties he brings holiday-inspired magic and photo-friendly moments. Ryan is fully insured and carries an up-to-date Vulnerable Sector Check.
