

Scott Humston

"Mount Dora leadership keynote speaker"

Based in Mount Dora | Kids & Family | Mentalism | Parlour Magic | Stage Illusion

Biography

Leadership keynote speaker, pastor and strategic communicator Scott Humston has spent more than thirty years helping leaders cast vision people can see, feel and act on. His Lead With Imagination framework draws on the creative systems of Walt Disney and the theological imagination of C.S. Lewis, and sessions end with more than inspiration: a repeatable, practical framework leaders can implement before the week is out.

President George W. Bush thanked him for coming to The White House, writing that he "delighted everyone and helped create happy memories for thousands". Tim DeTellis of New Missions, after more than a decade of events, calls him "the most requested to have back again". Scott serves as Family and Connections Pastor at First Baptist Church of Mount Dora, Florida, and speaks to church leadership teams, executives and organizational gatherings.
