

Sean Masterson

"Chicago close-up and stage magician"

Based in Chicago | Close-Up Magic | Corporate Events | Stage Magic

Biography

Sean Masterson calls his act Timeless Magic: close-up and stage magic that combines remarkable skill with highly original material. Lawrence Bommer of The Chicago Reader described him as a "magician/raconteur" with "eye-popping, mind-boggling parlor tricks" - a fair summary of an act built as much on storytelling as on sleight of hand.

The magic happens inches from the guests as readily as it does from a stage, and Sean's warm, personable style is what brings a room together around it. He performs close-up and stage magic for weddings, birthday parties and corporate events in Chicago, where the same skill suits a dinner table, a reception drinks hour or a full company gathering.
