Shimshi

"Las Vegas Wynn resident illusionist"

Based in Las Vegas | Mentalism | Stage Illusion

Biography

Acclaimed Las Vegas illusionist and mentalist Shimshi is the resident illusionist for the Wynn Resort and Casino, welcomed there by Steve Wynn, who says "Shimshi is the best", and later asked to create an illusion act for the featured show Le Rêve. On NBC's America's Got Talent he was the last magician standing out of hundreds of magicians.

In mindillusions he catches a volunteer's card with his foot in mid air while doing a backflip, floats a member of the audience, and brings a volunteer close enough to touch the empty space where his assistant's stomach was. Mind reading runs through the show, from the name of a first love to predictions of random acts an hour before they happen. His corporate show has played for top Fortune 500 companies and Hollywood celebrity events.
