

Shin Lim

"Two-time America's Got Talent winner"

Based in Las Vegas | Close-Up Magic

Biography

The only person in the world to have won America's Got Talent twice, Shin Lim is also the 2015 world FISM champion for close-up card magic and has appeared on Penn & Teller's Fool Us.

A self-proclaimed "Sleight of Hand Artist," Shin Lim makes no claim to sorcery and has zero intention of suggesting supernatural ability; he performs carefully choreographed routines rather than pretending to defy the laws of physics. Cards vanish, shift and reappear with speed, finesse and a "how'd he do that" mystery, a lifetime of training distilled into displays of dancing digits. Audiences are left wondering whether what they have seen is truly possible - an act that enchants in the room and on screen alike.
