Based in Las Vegas | Comedy Magic | Stage Magic

Biography

Shock and Bizzare are a Las Vegas comedy-magic duo whose character-driven show combines animated mayhem, B-movie horror and playful theatrical surprise. Their official site promotes the act for stages, towns and events seeking a Halloween atmosphere at any time of year, and documents international television and live appearances including Fool Us. The Shocker's separate performer site identifies one member's masked wrestling-inspired magic persona, while the duo page names Bizzare as the partner. A performer-controlled contact route confirms active bookings, though full legal names and a direct public email are not displayed.
