

Siegfried Tieber

"Los Angeles sleight and mentalism delivered with intelligent mischief"

Based in Los Angeles | Close-Up Magic | Mentalism

Biography

Siegfried Tieber is a Los Angeles magician and mentalist whose intimate performances combine sleight of hand, applied psychology and an energetic streak of comedy. His official site provides a direct professional email and performance reel, while current ticketing documents sold-out 2026 editions of Magic as Medium at the W Hollywood. The seventy-five-minute production places audiences close to carefully designed deceptions and emphasizes delight as much as method. Tieber has appeared twice on Fool Us, earning a trophy on one visit, and continues to offer live performance for theatre, private and corporate audiences.
