

Sonia Benito

"London magician and commercial dancer"

Based in London | Mentalism | Parlour Magic

Biography

Sonia Benito is a magician whose artistry grows from two disciplines developed side by side: sleight of hand and movement. Alongside her magic she built a career as a commercial dancer, performing with Rihanna, Pharrell Williams and RAYE, and she brings that sense of rhythm and stage presence into every routine. Originally from Spain and now based in London, she blurs the lines between classic and contemporary magic with coins, cards, everyday objects and mind reading.

The result is close-up work that feels immersive, expressive and completely unexpected \, elegant technique carried on fluid, dance-inspired movement. Sonia has created and performed bespoke magic for brands including MIU MIU, BOSS, Nespresso, Samsung and Nike, across campaigns, TV commercials and live events, and has performed for guests such as Cara Delevingne and George Ezra.
