

Spageddy Eddy

"Irish children's and family magician"

Based in Dublin | Corporate Events | Kids & Family

Biography

Spageddy Eddy brings children's and family magic shows to events across Ireland, private and corporate alike. The act mixes illusion, comedy, and wonder, with interactive tricks and audience participation that draw the room into the show rather than leaving it watching from a distance.

Birthday parties are tailored to the child at the centre of them, while family shows suit communions, confirmations, festivals, and family fun days, entertaining all ages at once. For a corporate gathering, product launch or staff party, Spageddy Eddy offers sophisticated and engaging magic aimed squarely at clients and colleagues. Schools, libraries, and community groups get shows built to be educational and entertaining in equal measure, from intimate family gatherings to grand corporate celebrations.
