## Biography

Star Newman is a Florida magician and mentalist with more than twenty-five years of experience creating interactive experiences for theatres, Fortune 500 companies, private clubs and social events. Her current official site offers strolling, parlor and stage formats for conferences, receptions, weddings, fundraisers and other gatherings. Newman combines sleight of hand, mind reading and quick-witted audience work, treating magic as a catalyst for connection rather than a one-way spectacle. Direct telephone and email contacts confirm active bookings. Her 2022 Fool Us performance closed a Season 8 episode.
