

Steve Cohen

"The Millionaires' Magician"

Based in New York | Close-Up Magic | Mentalism | Parlour Magic

Biography

Steve Cohen is a master of intimate magic, celebrated for his sophisticated blend of sleight of hand, mind reading, elegant conjuring, and effortless showmanship. As the creator and star of the long-running Chamber Magic, Cohen performs astonishing feats just feet from his audience in the refined surroundings of the Lotte New York Palace.

His career has taken him from a sold-out solo performance at Carnegie Hall to television appearances and performances for more than 500,000 guests, including celebrities, royalty, and cultural icons. Charming, witty, and impeccably polished, Cohen transforms classic parlour magic into a deeply personal theatrical experience-making every guest feel as though the impossible has happened especially for them.
