Biography

Steve Spill and Bozena mix comedy, sleight-of-hand and mind reading into a show of wonder and laughter - a Kauai comedy and magic show where close-up deception lands alongside big laughs.

Steve founded the critically acclaimed Magicopolis Theater in Santa Monica, California in 1998, and has created magic performed by Penn & Teller, David Blaine, David Copperfield and Criss Angel. He has been featured on the cover of over a dozen industry journals, among them Genii Magazine, The Magic Circular and Vanish, has lectured at Hollywood's Magic Castle and London's Magic Circle, and has been engaged for the world's largest magic convention in Blackpool, England. He has also provided expertise on television projects including the CBS special The World's Greatest Magicians at the Magic Castle and the FX series Penn & Teller's Sin City Spectacular.
