Biography

Award-winning quick change artists Stoil and Ekaterina build an act that is high energy, fast paced and very visual, with costumes transforming in an instant and the speed of the changes driving the whole routine.

The duo have performed at the Magic Castle in Hollywood, in Dubai and Macao, on cruise ships, at half time games and at gala shows around the USA and around the world, and are recognised as international and national award winners. The same quick, visual spectacle travels well to weddings, birthdays, baby showers and company functions, where their team also brings experience in event planning.
