

Stuart MacDonald

"Michigan magic turning problem solving into theatrical wonder"

Based in Adrian, MI | Close-Up Magic | Comedy Magic | Corporate Events | Stage Magic

Biography

Stuart MacDonald is a Michigan magician, designer and corporate speaker whose signature stage work combines original apparatus, storytelling and methodical problem solving. His current official site offers keynotes using magic to illuminate LEAN practice, continuous improvement and creative decision-making, alongside live performance. MacDonald fooled Penn and Teller with The Unintentional Magician and also appears on television as the comic alter ego Richard Preston. Current material supports active conference and company bookings, but it does not state one exact home city or expose a direct public email.
