

Taijyu Fujiyama

"Tokyo Tezuma carrying Edo magic toward the future"

Based in Asagaya, Suginami | Stage Magic

Biography

Taijyu Fujiyama is a Tokyo practitioner of Tezuma, the Japanese classical magic tradition that integrates illusion with formal movement, dance and symbolic storytelling. His official site describes international performances across more than twenty cities in ten countries and a mission to preserve inherited performing arts for the next century. Major Japanese honors in 2019 and 2021 recognize that work. A Suginami cultural interview explicitly identifies Asagaya as his residence and explains his professional training. Direct email supports enquiries for performances, cultural programs and appearances. Fujiyama brought Tezuma to Fool Us in 2018.
