*"Kids' magician, ventriloquist and caricaturist"*

Based in West Chester | Close-Up Magic | Comedy Magic | Kids & Family

## Biography

Behind The Amazing Spaghetti is Dan Freed, a full-time professional children's entertainment specialist who has been making kids and adults laugh since 1994. The act mixes silly comedy magic, cool magic for older children, talking puppets (ventriloquism) and gags into a high energy, interactive variety show built around non-stop laughter.

Most shows run 40-45 minutes and are tailored to the age group, from three- and four-year-olds up to nine- and ten-year-olds who prefer magic without puppets. A caricature artist with 30 years of experience, he also sketches around 15-20 guests an hour, and offers strolling close-up magic, either alongside a show or on its own. He performs across Chester County PA, Delaware County PA, Main Line and Northern Delaware.
