

The Conjurors

"World class magical mind reading"

Based in Las Vegas | Mentalism | Stage Magic

Biography

British duo Matthew Pomeroy and Natasha Lamb perform as The Conjurors, blending theatrical storytelling, sharp wit, magic and mind reading. Their full-time Las Vegas residency, Secret Wonders, brings cinematic storytelling and psychological illusion into an intimate room, with audience interaction shaping each performance.

Their work also reaches international stages. The Conjurors host a live world tour based on a film franchise and have performed in more than 40 countries, including an appearance at the Sydney Opera House. For private events, corporate functions, theatres and luxury venues, the act adapts its blend of elegant presentation, mind reading and audience participation to the setting.
