

The Duo

"Award-winning magic"

Biography

The Duo is a three-person magic show featuring a magician, a mentalist and their roommate Charlie. When two best friends needed to add a third person to their show, Charlie was at the top of their list - alphabetically. Together, they push the boundaries of what magic can be, creating shared, electric moments that audiences can't stop talking about. Praised as 'the best magic I have EVER seen' (Kenny Ortega), expect jaw-dropping magic, impossible mind-reading and sharp humour. A deeply engaging night of unbelievable moments that explore friendship and connection. May not apply to all performances. Additional information about accessible performances, and space accessibility, can be found on the Dates and Venue tabs on this page. Further accessibility information can also be found on their Accessibility page. Please note that while all media gallery content is provided by verified members of the event, the Edinburgh Festival Fringe Society does not review or approve this content before it is posted.
