

The Honest Magician

"Anna Maria Island close-up magician"

Close-Up Magic

Biography

The Honest Magician is Nick Lande, a professional magician based on Anna Maria Island whose close-up magic blends humour, audience interaction and sleight of hand into moments guests talk about long after the show ends.

For over 20 years he has entertained families, weddings and private events across Sarasota, Bradenton and Longboat Key, working close enough for every guest to feel part of the show. He has added whimsy to a fundraiser for the Sarasota Opera, performing between opera performances, and kept the energy high for children and staff alike at summer camps and a homeschool co-op. Vacation gatherings, resort evenings, family dinners and celebrations of all sizes suit him equally well.
