

The Magical Mr. Rose

"Phoenix Birthday Party Magician for children ages 5"

Based in Phoenix | Kids & Family

Biography

The Magical Mr. Rose has appeared on the national TV show Penn & Teller: Fool Us, where he fooled Penn & Teller in front of a live audience - and was invited back to perform with them at the Penn & Teller Theater at the Rio Hotel and casino in Las Vegas.

Closer to home, he specializes in birthday party magic shows suited to children ages 5-12, with over 25 years of experience and more than 200 shows every year. The hour-long program pairs a 45 minute show with a 15 minute mini magic lesson, weaving in puppetry, music, squeaky-clean comedy and a free souvenir gift for each child. The birthday child helps make the magic happen throughout, while every guest gets pulled into the fun.
