The Shocker

"Masked wrestling mayhem body-slams conventional comedy magic"

Based in Las Vegas | Comedy Magic | Stage Illusion | Stage Magic

Biography

The Shocker is a masked comedy-magician character built from professional-wrestling swagger, physical mayhem and deliberately excessive stagecraft. His current performer-controlled site promotes a memorable alternative to conventional magic and maintains a direct contact form. Credits include Fool Us, Masters of Illusion, Showtime at the Apollo, the Magic Castle and a long-running Las Vegas comedy engagement. Two Fool Us appearances established the character's mix of trick construction, mock aggression and audience-friendly theatrical chaos. The site supports active bookings from Las Vegas, although the performer's legal identity and a direct public email remain undisclosed.
