

TJ Tana

"Award-winning New York magician and mentalist"

Based in New York | Close-Up Magic | Corporate Events | Mentalism

Biography

With over two decades of performing experience, TJ Tana has carried his award-winning stage act from the stages of Las Vegas, Nevada to the Sydney Opera House. In 2015 he was a featured performer on the Masters of Illusion LIVE show, and later joined The Illusionists 1903 tour as a consultant.

His performances mix timeless magic, uncanny mind reading and laugh-out-loud comedy with modern technology, and stay "extremely interactive" throughout: audience engagement, he says, "creates a whole new experience and memories that will last a lifetime". Newsday called his show one of the "Top Ten Things to See" in 2013, and Google, eBay, PayPal and Airbnb have all trusted him to entertain at their events - work that suits everything from intimate gatherings to grand galas.
