

Toby Rudolph

"Cologne magic where comedy meets curious scientific thinking"

Based in Cologne | Close-Up Magic | Comedy Magic | Stage Magic

Biography

Toby Rudolph is a Cologne magician, comedian and physics-trained entertainer who combines close-up craft, stage magic and scientific ideas. His official site offers programs for companies, galas, trade fairs and private celebrations, plus keynote and emcee formats built around perception and curiosity. Rudolph became German close-up champion in 2024 and placed fifth at the 2025 FISM World Championship. Current listings include multiple 2026 and 2027 theatre dates, confirming an active public career following his Fool Us appearance. A booking form and agency contact support engagements throughout Germany and beyond.
