

Tom Brace

"London close-up and stage magician"

Based in London | Close-Up Magic | Corporate Events | Parlour Magic

Biography

Tom Brace is a professional close-up and stage magician based in London, at home with audiences of every kind - from dinner parties and kids' parties to trade shows and wedding receptions.

His speciality is live magic up close, where a well-executed trick happens inches from the guests and keeps them talking the next day and the day after. Clients describe him as "friendly and charming", gauging the mood and needs of an event "like a real professional", with one noting they had "never heard so much laughter and gasping of disbelief". A Fringe reviewer called the show "Hilarious... joyfully daft". For wedding receptions, corporate events and private celebrations, Tom Brace offers intelligent, exciting entertainment with a subtle style.
