

Travis Bernhardt

"Award-winning Vancouver magician and mentalist"

Based in Vancouver | Close-Up Magic | Corporate Events | Stage Magic

Biography

Award-winning magician Travis Bernhardt got his start as a street performer, learning to conjure a crowd from nothing and hold them until the end, then carried those lessons indoors to sold-out runs and festival awards across Canada. He also creates magic for other magicians - some of his work has appeared on America's Got Talent - and served as Magic Producer on Tricked, writing, designing and executing the magic for all twenty episodes.

At events, Travis moves through the crowd performing for small groups, drawing people together, breaking the ice and creating a buzz, with a repertoire that runs from straight sleight of hand to delicate mentalism and mind reading. From thousand-seat theatres to noisy pubs, he suits company parties, wedding receptions and any occasion with mingling.
