

Trigg Watson

"Future-facing magic where screens release impossible objects"

Based in Los Angeles | Close-Up Magic | Corporate Events | Stage Magic | Virtual Shows

Biography

Trigg Watson is a Los Angeles high-tech magician blending live illusion with phones, tablets, holographic images and robots. His current official site offers stage, close-up and virtual programs for corporate events, conferences and private groups, backed by work for more than two hundred companies. Watson's background combines theatre and business education with consulting experience, giving his technology-heavy material a clear event focus. He has appeared twice on Fool Us and on other major American magic programs. Current availability and message routes are explicit, although no direct public email is indexed.
