

Twin Magic

"Comedy Magician / Magician"

Based in Saskatoon | Close-Up Magic | Comedy Magic | Corporate Events | Mentalism

Biography

Twin Magic is Canada's only identical twin magic act, a Saskatchewan-based duo also billed as Double Vision, with thirty years of experience performing across North America. The double-take is built into the act itself: two magicians who look exactly alike, working the room as one.

Their work ranges from close-up magic among the guests to stage sets, and the twins also take on emcee duties to keep a programme moving from one item to the next. They are a familiar fixture at conferences, corporate events, trade shows and fairs, and suit any occasion where an organiser wants entertainment that makes the evening stand out rather than simply fill a slot.
