

Vick

"Top-ranked magician and mentalist"

Based in Ellicott City | Corporate Events | Mentalism

Biography

Vick blends original magic, mentalism, comedy and classical magic into an interactive show that one client called "astounding". Since 2010 National Talent Agency Gigmasters and the website Thumbtack rank Illusions by Vick the Top Magician in MD, DC, VA & PA out of over 400 acts they represent.

The performance draws on effects gathered over a journey of 19 years, mixing engaging classics of magic with feats of mentalism and a few surprises, including a bottle of wine magically produced and presented to an adult audience member. Vick asks questions about the event, the organization and the guest of honor so the material is personalized. He works weddings receptions, corporate events, fundraisers, holiday parties, proms, graduations, trade shows and school and library programs, and appears as Professor Snape for Harry Potter theme parties.
