Biography

Wes Iseli is a full-time Virginia magician and illusionist whose family-supported business presents hundreds of shows each year. His current official site offers close-up, walk-around, parlor, stage and full-evening illusion programs for schools, resorts, fairs, theatres, fundraisers, weddings, private groups and corporate events. Comedy, audience participation, animal effects and Vegas-style illusions shape the broad family format. Iseli earned a Fool Us trophy and also works as a television magic consultant. A lengthy public calendar, direct email and toll-free telephone number provide unusually strong evidence of current availability.
