

Will Fern

"Award-winning strolling magician"

Based in Somerset, NJ | Close-Up Magic | Comedy Magic | Kids & Family

Biography

International Champion of Strolling Magic, Will Fern is an award-winning magician who works among the guests rather than from a stage, moving from group to group with close-up magic that happens in the hands of the people watching.

The result is the kind of energy that earned him his billing as a "party steroid" for corporate and private affairs: magic that starts conversations over cocktails and keeps a room buzzing without ever asking anyone to sit down and face front. Will Fern serves New Jersey, New York, and the world, and his brand of walk-around entertainment suits company parties, receptions, weddings and private celebrations of every size.
