

WonderPhil

"Award-winning Toronto kids magician"

Based in Toronto | Kids & Family

Biography

Award-winning magician and entertainer WonderPhil, also known as The Magic Guy, builds interactive shows for children across Toronto and the GTA, combining first-class magic with big laughs.

He is more than a magician: the magic keeps kids fully engaged while the adults in the room enjoy the fun just as much. As one parent wrote in a Google review of a birthday party, "The kids were laughing, the adults were laughing - everyone had such a great time." His hilarious, interactive shows delight kids of all ages and suit birthday parties, daycare events, summer camp activities and family celebrations, as well as other special events around the city.
