

Wyatt Hackett

"Close-up and stage illusionist"

Based in Las Vegas

Biography

Wyatt Hackett has been fascinated by the art of magic and illusion since the age of five, and the countless hours behind that fascination show in an act that moves easily between close-up magic performed at arm's length and a full-scale stage show.

No two of his performances are the same, each one built fresh and full of surprises, and pitched to play for audiences of all ages. Hackett has performed from Las Vegas to Boston and everything in between, in rooms ranging from small, intimate gatherings to large corporate events, which makes him an adaptable choice for weddings, galas and company parties where the entertainment needs to suit the space as much as the crowd.
