

X.Ray Magic and Illusions

"Award-winning Toronto magician"

Based in Toronto | Corporate Events | Mentalism

Biography

Award-winning magician X.Ray discovered magic at eight years old and, after graduating from the University of Waterloo with a Math degree, turned that childhood pastime into a profession. In 2008 he founded Sauga Magic, an entertainment company that provides magic shows for corporate events and private functions in Toronto.

His performances combine sleight-of-hand magic, mind-reading mentalism and theatrical showmanship, while the family show features the classic bunny-from-the-hat and his award-winning goldfish act, clean and age-appropriate for children of all ages. Creativity and showmanship have made him one of the most sought-after entertainers in the GTA, equally at home at galas, fundraising events, holiday parties and sales meetings as at birthday parties and school BBQs across Toronto, Mississauga, Brampton and Oakville.
