Biography

Canadian magic champion Yannick Lacroix is a pillar of magic on the Québec scene, an award-winning performer whose honours include the audience prize of the Canadian Association of Magicians and the highest score at the Championnat de magie de France. With two of his students he appeared on France's Got Talent in 2023 and Canada's Got Talent in 2025, and the trio were invited to the world's largest magic convention in Blackpool.

His shows mix humour, elegance, mystery and wonder; at weddings he moves from personalised routines to cocktail-hour table-to-table close-up and stage magic, with adults and children alike delighted. Owner of Académie MagieStrale, the only magic school in Québec, he has taught there since 1992 and has performed through Magiciens sans frontière in Haiti, Brazil, Lebanon and India.
