

Zach Waldman

"Los Angeles comedy magician and mentalist"

Based in Los Angeles | Close-Up Magic | Comedy Magic | Corporate Events | Mentalism

Biography

Zach Waldman is a comedian as much as a magician, and he makes a point of it: he has worked nightclubs including the Improv, the Comedy Store and the Magic Castle. His act blends stand-up comedy, magic, mentalism and sleight-of-hand, built to leave guests laughing hard and still talking afterwards.

Born in North Miami and a graduate of the University of Central Florida, Zach worked on The Howard Stern Show in New York City and for Kenny Kramer, the real Kramer, before training at the Player's Workshop of the Second City in Chicago. Every show is shaped around the room, from family-friendly to sophisticated corporate, and he performs at Fortune 500 events, trade shows and conferences nationwide, plus galas, weddings, Bar and Bat Mitzvahs and private parties.
