

Zeke Powerz

"Award-winning North Georgia magician"

Based in Blairsville

Biography

Award-winning close-up magic, mind reading and dangerous stunts make Zeke Powerz an act built for grown-up audiences: no capes, no glitter, and nothing resembling a children's party.

A full time performer with over 25 years behind him, Zeke has created original magic for audiences of all sizes in hundreds of venues throughout the United States, and has self produced and sold out public shows repeatedly over the last decade. He may open by strolling from group to group with cards, coins and everyday objects, then gather everyone for a parlour show of thought projection, impossible predictions and laugh out loud comedy. He works cocktail receptions, banquets, distilleries and private parties around the North Georgia Mountains, which he calls home, as well as Atlanta, Chattanooga, Gatlinburg, Asheville and Greenville.
